Revised June 17, 2013
Tuition, room & board and health insurance fees at Soka University of America (SUA) will be charged on a session basis. The cost for each session is half of the annual cost.

Students and/or parents have the option of paying their tuition, room & board balance, along with their health insurance fees (if applicable) in full for the session or in 5 monthly installments for the session.

In order to serve you better, SUA offers two payment options. Please read them carefully and select the option that best fits your needs.

NOTE: Your bill includes charges for tuition, room & board, and health insurance fee only. You are not billed for books, personal expenses, or transportation costs. Please be aware that any changes to your financial aid award may cause your expected payment calculation to change. For questions regarding the financial aid award, please contact the Office of Financial Aid.
