The Kendo Club is one of the oldest student organizations on campus. Kendo is a form of martial arts, training the body, mind and spirit through the way of the sword. We do our best to help each other out and work as a team. All levels of experience are welcome, and that includes none!

Mission

Provide proper training of kendo. Pursue the cultivation of oneself (inspired by the All United States Kendo Foundation). Represent SUA and its values, off campus and on a national level.

Goals

Teach all newcomers, and prepare them to earn their bogu armor. Participate in annual tournaments, Harvard Shoryuhai and UCLA Yuhihai. Train our bodies, minds, and spirits.
