The mission of Rotary Club is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. Based on this mission statement, Soka Rotaract Club has volunteered in many ways: playing with the children in the orphanage, fundraising for NPO in Malawi, and building water wells in Cambodia. For this academic year, we are also going to do community service, so we need your ideas and participation!!!

2010 Spring Semester Goal(s)

1. To increase the number of active members to 15 by International Festival.

2. To have 3 successors for the next semester.

3. To start the community service (after school program) this semester and strengthen the connection to International Orphan Care.
